Equity of Care Champions Named from Latest Institute Survey

The Institute for Diversity in Health Management is pleased to recognize 20 hospitals and health systems from across the country for their progress toward championing diversity and reducing disparities in care within their organizations. Recognition is based on hospitals and health systems' responses to the Institute's 2015 survey, "Diversity and Disparities: A Benchmark Study of U.S. Hospitals." Equity of Care Champions represent **the top-performing health care organizations within each category.**
